THE ORIGINAL SUPERCAT

In existence since 1981

The SUPER CAT is in basketball and athletic programs all across America. The Super Cat has been proven to be the most effective machine in developing the "Power Potential" of athletes. Other machines don't come close to the Super Cats durability and safe operation to outlast any strenuous workout regiment. We are recording the highest vertical jump on athletes in weight training history.

The SUPER CAT will give your program the edge in vertical jump and quickness to take you to the next level.

Explosive Exercises:

- Quarter squat jumping
- Angle squat jumping
- Angle squats

**School colors available
7-year warranty**

Develops the "POWER POTENTIAL" of every athlete.

The Super Cat will dramatically increase the speed, quickness and vertical jump of your athletes.
