Excel Sportswear

At Excel Sportswear we bring 25 years of experience in the screen print and embroidery industry to every shirt that we create. We service numerous markets mainly consisting of schools, Fire Departments, Automotive Dealers, and much, much more.

Everything is designed and produced at our facilities in Trafford,

PA using state of the art equipment and techniques.

What separates us from everyone else is the custom hand-drawn art produced by our 12 talented in-house artists. This helps to ensure your design turns out exactly the way you had imagined, the perfect shirt every time.

You get to work with these highly trained artists at no extra cost to you. That's right. No setup fees, no art fees, and no screen fees.

We specialize in making T-Shirts, Hooded Sweatshirts, Polo Shirts and more.

When you choose Excel Sportswear, you not only get a cool unique T-shirt with a high impact design, you also get a wearable piece of artwork that will show your pride and promote your organization for years to come.

New Sports Planners Catalogue

Strategies Coaching Aids allow the fundamentals of the game to be

taught and the demonstration of offensive and/or defensive plays. Magnetic boards are ideal for reviewing previous games and great for learning the art of refereeing while clipboards and pads are ideal for teaching on the spot. Make notes as the game goes on to develop instant strategy and correct tactical errors.

Sportek organizers are a great way to keep track of information, and scout players. Transfer notes from books, folders, etc. onto colored T-cards. These personal portable organizers can be carried or stored in a drawer.

T-card challenge ladders are ideal for racquet sports. A simple system to keep track of all participating members' names, phone numbers and position on the ladder.

This 16-page catalogue also features portable easels and easel pads. Ask for catalogue no. 4601SP3.
